Participants are invited to contact us anytime prior to departure for personal

advice and assistance. EARTHBOUND ADVENTURES must have a signed and completed Trip Reservation Form on file before a Pre-Departure Packet will be sent.

This packet is typically sent 2 weeks before a trip departs and generally includes: a group roster; Itinerary/ Voucher(s); in-country contact numbers; hotel addresses and telephone numbers; airline tickets if EARTHBOUND ADVENTURES issued them; document case and luggage tags; and any pre-departure updates or last minute reminders that might be useful for the program. Packets containing airline tickets are delivered via courier and require a signature to release the package. Those without airline tickets might be sent via priority mail or email. Final Trip Documents will be sent only to participants from whom EARTHBOUND ADVENTURES has received all forms and full payment.

6. Services Included

The detailed itinerary for each adventure specifies exactly what is and is not included in the land cost of your program. Please download and print the appropriate detailed itinerary for particulars on your trip. EARTHBOUND ADVENTURES is not responsible for any expense not listed as included, any that are indicated as "optional" or "on your own," or those arising from the delay or extension of a tour due to weather, political disputes, sickness, failure of public transportation, flight changes or cancellations, missed connections, or any other cause beyond our control. EARTHBOUND ADVENTURES reserves the right to substitute hotels of an equal category or similar price for those mentioned in the Trip Itinerary.

7. Group Sizing and Pricing

EARTHBOUND ADVENTURES limits space on all scheduled trips to 12 members or fewer, and prices are based on a full group. Numerous fixed costs such as ground transportation make it more expensive to operate a trip with less than a full group. Therefore, we have established a tier pricing system. Exact tier prices are listed on the detailed itinerary available for every EARTHBOUND ADVENTURES adventure. Typically 3 pricing levels are designated. Some trips can be operated with fewer guests than the stated minimum for an additional surcharge. EARTHBOUND ADVENTURES staff-in-training, travel writers, photographers, special lecturers or other invited guests are not included when determining the final group size for pricing purposes. Additionally, EARTHBOUND ADVENTURES trips are priced as a complete land tour packages including: first-class accommodations, professionally guided tours, entrance fees, most meals, airport transfers and private vehicle transportation. Refunds or credits are not given for unused hotel accommodations, meals, tours, transfers or other services for any reason. EARTHBOUND ADVENTURES does not provide an itemized trip cost breakdown; we can quote extra services based on extension packages or hotel upgrades. Trips containing only partial services are not available.

8. Trip Costs

Land Costs shown on each Trip Detail Page and on the downloadable detailed itinerary are valid for a full calendar year (Jan 1st - Dec 31st) unless otherwise indicated, are quoted in US dollars, and are subject to increase, even after a deposit is made. We may occasionally be faced with significant cost increases due to currency fluctuations, increased hotel rates, higher costs of services, holiday travel, and/or other factors over which we have no control. Faced with this situation we will do everything reasonable to avoid raising prices but give notice that it is sometimes unavoidable.

9. Invoicing

All participants are initially invoiced at the highest tier price (i.e., smallest published group size) of a program. If a larger group is achieved by the time Final Documents are sent out, a refund of the Small Group Surcharge will be issued and will be included in this packet. Refunds are issued in the same manner in which the balance payment was made.

10. Single Supplement

Trips are priced based on shared occupancy for hotels, lodges, cruise cabins and tents. Single accommodations can often be arranged for an extra cost with a limit of two on most trips due to room availability and/or camping space. If you prefer single accommodations, the single supplement is payable and space is allotted on a first-received basis. If you are traveling by yourself and wish to share with

another traveler, the first same gender, willing-to-share roommate will be assigned. If you make your deposit at least 6 months in advance and a roommate is not found, EARTHBOUND ADVENTURES will only charge you 50% of the regular single supplement fee; unless otherwise noted on Trip Profiles (not valid for Galápagos or Amazon cruises, custom trips, extensions or upgrades). If a roommate is found prior to departure, this 50% fee will be refunded in the same manner in which it was paid. In order to best accommodate your preference, we suggest you reserve your trip at least 6-8 months in advance.

11. Personal Equipment

It is each guest's responsibility to be adequately outfitted for the program they select. All group members receive a detailed list of recommended clothing and personal gear for their particular trip in their Pre-Departure Packet. Catalogs and/or discount coupons from preferred suppliers may also be included and our staff is available for specific outfitting questions.

12. Smoking Policy

For the safety and comfort of all EARTHBOUND ADVENTURES guests, smoking is not permitted in buses or cars, in cabins on chartered yachts or cruise ships, and at most jungle lodges, nor is smoking allowed inside tents while camping. Additionally, by park regulation there is no smoking allowed on the Galápagos Islands. Stops will be made on overland segments during which smoking will be allowed outside of the vehicle, and guests are requested to refrain from smoking at group meals.

13. Medical/Health Considerations

You must be in good health to take part in any of our trips. International Adventure Travel involves outdoor and/or cultural experiences that may be physically and/or emotionally demanding. Programs frequently take place in areas where medical facilities are nonexistent and where emergency evacuation can be prolonged, difficult, expensive, or not available at all. Every trip is rated according to the difficulty of the activities, the number of nights spent camping if applicable, and the elevations that will be reached. Furthermore, to ensure your safety and enjoyment of the program, appropriate training suggestions are outlined in the Pre-Departure Packet for each adventure.

For all trips that include camping, a basic first-aid kit will be carried by the local guide. However, EARTHBOUND ADVENTURES assumes no liability regarding the contents of this kit, or with the provision of first-aid by our guides or staff, or with any medical care provided by local physicians, hospitals or emergency care facilities. Trip members are required to have a sufficient supply of personal medications and a suggested Personal Medical Kit list is included in the Pre-Departure Manual. All guests are encouraged to see a physician prior to their trip and seek advice regarding recommended medications, inoculations and/or precautions to take prior to departure. EARTHBOUND ADVENTURES is not a medical facility nor our personnel, medical professionals. Therefore we have no responsibility regarding what medications or inoculations are necessary for your safe participation in the trip you have chosen.

Medical Questionnaire

Each trip member must sign, complete and return to our office at least 60 days prior to your departure a Medical Questionnaire/Waiver outlining the conditions that could be encountered during their journey. A doctor's signature is required for all group members who are age 65 or older, for guests with a history of illness, recent injury or hospitalization or an inherent medical condition, and/or for those on programs rated Grade IV. Once you are confirmed on a trip, normal cancellation penalties will apply if your doctor does not agree to sign the Medical Questionnaire/Waiver. The form may be reviewed prior to placing a deposit on a trip.

14. Canceled Trips

EARTHBOUND ADVENTURES reserves the right to cancel any trip, at any time, for any reason. In the event that a trip has fewer guests than our published minimum, group members who have already made deposits will be given alternatives that may include: operating the trip with fewer participants at a higher price; the chance to transfer to another departure or different program without penalty; or the option to receive a full refund of all monies paid to our office. The refund of payments received is the extent of our liability in this case, and refunds will be made in the same form as your payments. Trip cancellation due

to insufficient sign-up normally occurs 45-60 days prior to the scheduled departure and EARTHBOUND ADVENTURES will do everything possible to avoid canceling a tour.

Should logistical problems, political circumstances, natural disasters and/or other events and situations occur that may impede the normal operation of a tour, EARTHBOUND ADVENTURES, at its discretion, may offer an alternative adventure in a different region or country or cancel the departure. In the case a tour is canceled for reasons stated above, EARTHBOUND ADVENTURES does not guarantee recovery of any or all of the advance payments made to South America, and we highly recommend that all guests take out travel insurance to provide reimbursement in such cases.

15. Cancellations/Refunds

If you must cancel your participation on a trip, for any reason, payments made to EARTHBOUND ADVENTURES will be returned, less a cancellation fee computed per person according to the schedule below based on the date our office receives written notification of your cancellation (fax and email are acceptable).

Galápagos and Amazon Cruise Cancellations

Per person cancellation fees for all programs that incorporate a visit to the Galápagos Islands or an Amazon cruise are as follows and replace those above.

Minimum fee	\$400
120-91 days prior to departure	\$1000
90-61 days	50% of the LC
60 days or less	100% of the LC

LC=Total Land Cost per person including extensions and extra services as shown on your invoice. Excludes discounts. Cancellation fees for private trips or special departures may differ from those shown above and will be indicated on the detailed trip itinerary.

Cancellation fees apply to the entire trip cost as well as airfare if included in the land cost. If airline tickets are purchased through EARTHBOUND ADVENTURES, we will assist in making claims with the airlines for whatever refund is allowable under the terms of the fare purchased but we cannot guarantee any refund and are not liable for airline ticket refunds. The issuance of airline tickets represents an immediate transfer of funds from our office to the carrier, and refunds are paid by the airline, not EARTHBOUND ADVENTURES.

In the event that your participation on a EARTHBOUND ADVENTURES program is canceled for any reason including personal choice or insufficient participation, EARTHBOUND ADVENTURES is not responsible for any expenses you may have incurred in preparing for the trip such as non-refundable airline tickets, visa or passport fees, insurance premiums, equipment, clothing or gear costs, inoculations or doctor's fees, etc. nor is EARTHBOUND ADVENTURES responsible for the costs of additional arrangements should you have embarked prior to the group's departure.

16. Transfers

You may voluntarily transfer from one EARTHBOUND ADVENTURES trip to another (limit one transfer per guest), up to 91 days before the departure date of the original tour without an additional fee. An additional deposit is required for the new trip which will be deducted on your invoice. Transfers made 90 days or closer to departure are considered a cancellation of the original trip and are subject to EARTHBOUND ADVENTURES's cancellation fees, which will be applied to the Land Cost of the original program. In the event that a trip is canceled due to insufficient participation, guests may transfer to an alternative departure or tour without a fee.

17. Substitutions

On occasion a trip participant canceling may have a friend or family member willing to take their place. Substitutions of this nature are allowed up to 61 days prior to departure (91 days for Galápagos or Amazon cruises). The canceling participant must pay the minimum fee as indicated under Cancellations/Refunds or as listed in your private trip itinerary. Any remaining monies received by EARTHBOUND ADVENTURES will be refunded upon receipt of payment and the required documentation from the substituting participant. At 60 days or less (90 days for Galápagos or Amazon cruises), the person canceling faces the full cancellation fee as indicated above but the rush service fee (\$200) will be waived for the person taking their place. No substitutions are allowed 21 days or less before departure.

18. Travel Insurance

We strongly recommend that all trip participants take out Travel Insurance.

19. Airline Reservations

EARTHBOUND ADVENTURES trips DO NOT INCLUDE INTERNATIONAL OR IN-COUNTRY FLIGHTS (unless indicated otherwise in the trip's detailed itinerary). Trip participants may purchase international air tickets directly with the airlines, an Internet ticketing service, or other ticketing agency. EARTHBOUND ADVENTURES will provide participants with recommended arrival/departure dates and times, as well as Latin American air specialists who can assist in making air arrangements. Participants redeeming frequent flyer or award certificates must book directly with the airline. Unless advised otherwise, EARTHBOUND ADVENTURES will make all in-country air arrangements to coordinate with your adventure and invoice you accordingly (a service fee applies for all local tickets issued through EARTHBOUND ADVENTURES). It is the participant's responsibility to make sure that all international (and local flights if booked independently) coincide with the trip itinerary. Please notify our office as soon as possible if you choose to make your own in-country flight arrangements or plan to depart or arrive apart from the scheduled itinerary. Our office must receive a printout of your air schedule no later than 45 days before departure.
